

## **Welcome to Meccanico Espresso & Wine.**

**We're passionate about fermented berries.  
That is, of course, of the coffee and grape varieties.**

We're all about showcasing the incredible array of flavours that can be produced from two such humble creations.

We also know the value of sharing good coffee, food and wine with the humans you love. It is the essence of life!

So sit back, relax and let us take you on a sensory journey.  
We hope you enjoy the ride...
