Sunday the 3rd of October.

This day is packed with a bit of everything. We will start the day by visiting two distilleries in beautiful Derwent Valley which is just a short drive away from Hobart. A two course lunch will be served at this breathtakingly stunning venue, Frogmore Creek winery that is now the largest, ultra-premium winery in Tasmania. It wouldn't be a visit to a vineyard without a little wine tasting too.

In the afternoon, we will have an opportunity to visit Killara Distillery which is yet to be open to public! Kristy Booth-Lark, the daughter of 'The Godfather Of Tasmanian Whisky' Bill Lark will be taking us through their premium quality, hand crafted single malt whisky and other premium spirits. We will finish the afternoon at a micro-brewery back in Hobart.

The day won't be over yet however. For our last night in Tasmania, we have something very special planned, an all inclusive mystery dinner personally prepared by their executive chef Vince Trim at Faro. Each course will be matched with a wine and guided by a personal sommelier. It will be the perfect ending for our long weekend away.
